THE MARLOW PLAYERS

Presents

Barefoot In The Park by Neil Simon

Neil Simon's Barefoot in the Park is a romantic comedy focusing on a pair of newly-weds, Corrie and Paul, as they begin married life in a tiny, 5th-floor walkup apartment in a Manhattan brownstone. Paul is a straight-laced attorney; Corrie has a far more spontaneous, free spirit. As the young couple contend with a lack of heat, a skylight that leaks snow, several long flights of stairs, oddball neighbour Victor Velasco, and Corrie's well-meaning mother, they must also reconcile their own personal differences in how they approach life's challenges. Adjusting to married life isn't so easy!
