

THE MARLOW PLAYERS

THE ANDERSON AWARD

Background

This Award is in memory of Gil and John Anderson who both died suddenly within 6 months of each other leaving a big void within the Marlow Players. The Anderson Award is intended to let their memories live on within the Society. We are delighted that their daughter, Sarah, has created the Award to be presented at this year's AGM.

Gil was our President at the time of her death and prior to that had held every office within the Society. The Marlow Players was her life. Her mother was a founder member. Gil taught acted and directed and was a great font of knowledge from which we drew.

John acted and supported the Players in many ways – lifter-shifter-organiser-sorter out someone who quietly got on with things that were so essential for the smooth running of the Society – and the crutch on which Gil relied.

The Award

The Anderson Award is to be awarded for what is considered an outstanding contribution to the Marlow Players within the past 12 months from any facet within the Society – an excellent portrayal of a part – excellent direction – excellent set – excellent lighting or sound – hard work with excellent results for the benefit of the Players – anything.

Nominations need to be received by the Secretary, 24 hours before the AGM.
